Since I didn't see an email address for Ron I called him and gave him the address which is:

1472 FM 2725
Ingleside, TX 78362

I called the facility the Falcon Refinery, even though we're operating under the name NORCO in most cases.

Rafael, Katy Griffith gets EPA ID numbers for us. I need an address for the facility although abandoned. A street address, not a P.O. Box - include Zip code. I will pass this on to Katy and she will walk it through 6PD and get the ID.

I received a call from Steve. The disposal facility is acceptable to handle CERCLA waste, so there is no problem there.
